objective

To obtain a junior or associate level position in a design related industry enabling myself to develop my creative abilities while working in a fast paced team environment.

profile

- 3 years experience in the design field
- Experience including art direction, graphic design, copy writing and interior design.
- Successfully managed multiple projects and budgets for differing clients under tight deadlines.

education

2005 - 2008	2003 - 2005
BA of art in Interior Design	General Studies
Art Institute of Colorado	University of Colorado at Boulder
GPA - 3.75	GPA - 3.1

related skills

Working knowledge of Adobe Creative Suite CS3, autoCAD 2004 and higher, Microsoft office 2008, hand rendering, 3D SketchUp modeling and currently training in both Adobe Flash CS3 and Dreamweaver.

professional experience

Interior Designer (July 2008 - August 2009)

Working directly with the homeowner, I was contracted to work on 2 custom home projects as a design associate. Both projects are currently under development in Denver and Los Angeles.

Client : Lu and Chris Law - 303.548.4545 - luisalaw@comcast.net

Designer - CorePower Yoga (October 2006 - March 2008)

CorePower yoga is a Denver based yoga company with 29 locations located throughout the country. Working as a contract designer with CorePower, I was responsible for art direction, advertising design, studio finish selection, direct mail campaigning and in-house marketing.
